

A Big Thank you @ Holiday at Home

Holiday at Home for older people.

This year Holliday at Home provided short breaks locally for 33 guests and was supported by 24 volunteers, who came with a host of expertise and skills, from a variety of backgrounds, including Churches Together and Whittlesey Lions.

The Holiday was financially supported by a number generous donations which included Queen Street Church, Whittlesey Lions, Whittlesey Rotary club, The Whittlesey charity, City Recycling, The Vergette Fund and Lincolnshire CO-OP. All meals and refreshments were sourced from local businesses who generously met our needs.

What does Holiday at Home aim to offer?

Entertainment included a variety of musical entertainment, witty monologues, quizzes, film clips and games and so much more

Without the generous financial support we received this year we just couldn't have made it all happen.

A very big thank you to all the leaders especially Lyn Wright who has led the scheme with her wonderful band of volunteers over 8 years and is training up new leaders for the years ahead.

So we thank everyone who contributed time and funding on behalf of everyone at Holiday at Home.
